

YOUR X-RING RING SIZING KIT

Use this kit to determine which face and ring size to order.

- Print this PDF at 100% on standard paper.
- Confirm the size of the page is correct using the tool below.
- Cut out the ring sizer and carefully make a slit where indicated. **Be sure to cut as accurately as possible.**
- Wrap the ring sizer around your finger by pulling the numbered band through the slit. **Pull tight to find your size.**
- Try on the different styles and choose which one suits you!

TIP:

For the most accuracy have someone help you measure your finger and ensure the sizer is pulled as tight as possible.

Place a credit card on this box to confirm the page printed at 100%.
